## Market Comment

Numbers eased this week to a total of 529, with Nutrien accounting for 408 of these.

Lightweight weaners dominated the yarding with a good run of yearling heifers. Cows and yearling steers were in smaller numbers, with a limited number of heavy grown heifers.

The 280 to 330kg and 330 to 380kg weaner steers sold to strong competition of both feeders and graziers, dearer by 20-30c/kg. The 200 to 280kg weaner steers remained firm.

280 to 330kg weaner heifers remained equal on last weeks market. Yearling heifers 330 to 400kg sold strongly to the feeders to be 20-30c/kg dearer. Grown heifers over 540kg sold to equal values to the processor.

Medium and heavy prime cows remained firm while store cows lifted 5-10c/kg. A small run of heavy bulls lifted 10-15c/kg on last week.
