

Home Safe, Every Day

Safety, Health and Environment Policy

Nutrien Ag Solutions is committed to the care and protection of our people, environment, community, and customers.

We honor that commitment by making safety a core value of our organisation, as we grow our world from the ground up.

Our goals are to:

- Protect our people, assets, facilities, communities, and environment
- Proactively prevent incidents and minimise risk by continuously improving our safety, health and environmental performance
- Promote employee physical and mental health and wellbeing
- Drive excellence in safety, health and environment (SH&E) across our operations and supply chain

We will accomplish these goals through our Culture of Care strategy, in which we Lead, Collaborate, Challenge and Trust throughout our daily actions and behaviours.

Nutrien Ag Solutions will ensure leaders and their teams are well-supported with SH&E expertise and resources as we pursue our vision of sending everyone home safe, every day.
