Mated: LMD 06.12.2023 Kurrawa Legend's Roll of the Dice
Fleece: Nov 2023—M 25.3 SD 4.7 CF 87.6% CV 18.5 Trim On

Vanessa has a great mix of genetic including EP Cambridge, the elite Purrumbete lines and Highland Mist. She is an easy breeder and excellent mother and would be perfect for someone wanting a female that can produce white and colour. Her last cria is a special brown female, we are retaining her for our breeding program. She produces superfine offspring. Vanessa is mated to Kurrawa Legend's Roll of the Dice who is Sire by Kiwi Legend and is Enforcers full brother. She has correct conformation and still produces a commercial fleece. A female that has a lot to offer with super mix of bloodlines.

Lot 5 Kurrawa Fire N Ice**White Female Huacaya****IAR: 262831****DOB: 28.09.2022**

Cambridge Chancer Suezendy Winter Rose

Mated: Currently being mated to Park View Bellows
Fleece: Nov 2023—M 17 SD 3 CF100% CV17.8 Trim On

Ice is a well conformed female, her fleece has a luxurious handle with a high frequency crimp style. Ice has a fawn spot near her tail on her rump so we have mated her to our medium fawn sire, Park View Bellow's a son of EP Cambridge Timeout.

Having EP Cambridge Forged in Fire as her sire with this mating we are hoping for a coloured offspring with quality fibre. Forged in Fire sired the best med/dark fawn in show at the 2023 Nationals. Check out her pedigree on the data base to see the list

Lot 6 Kurrawa Quinta**Solid White Female Huacaya****IAR: 243130****DOB: 06.01.2018**

Kurrawa Alpacas —Reserved

EP Cambridge Timeout Jolimont Tucapel
Sire: Park View Bellows Dam: Kurrawa Champagne Bubbles
Park View Maybelle Kurrawa Drama Queen

Mated: Currently being mated to EP Cambridge Forged In Fire
Fleece: Nov 2023—M 24 SD 4.9 CF 89.5% CV 20.5 Trim On

Quinta is a no fuss girl, easy breeder and fantastic mum. She is only offered in this auction as we have retained her dark fawn daughter.

She had a beautiful fleece in her younger day and was in our show team. Her dam line is one of our most consistent lines. Quinta has correct conformation and character in her fleece. Her covering sire produced the best med/dark fawn in show at the 2023 Nationals, we are hoping for something special from this mating.

We are expecting a very high quality, coloured cria from this match !

Lot 49 Bardella Park Neris

Solid Med Brown Certified Male

IAR: 242653

DOB: 24.10.2022

Neris is an exceptional young male, developing and maturing extremely quickly on a very correct and imposing frame.

When you get into this fleece you are greeted with exceptional alignment to his fleece owing to his high density, fantastic brightness and ultra-soft handle due to this extremely low presence of coarse fibres throughout the saddle. He carries his qualities well across his large frame, and pumps out great length as well.

His quality is no surprise. With his sire being one of our top grey males (density tested at 81.5/mm with an ironed in crimp style and an incredible frame) and dam being out of one of Australia’s most awarded grey female to an elite American import.

Lot 64 Alpha Centauri Shiranda

Solid White Female Huacaya

IAR: 218882 DOB: 09.08.2020

Mapa Alpacas —Unreserved

	Camelot Tor		Shanbrooke Society Class Act
Sire:	Blackgate Lodge Sunseeker	Dam:	Alpha Centauri Shivella
	Blackgate Lodge Sonnette		River Ridge Rainstorm

Mated: Free Nov 2024 mating to EP Cambridge Phenomenon
Fleece: 2023 M 14.3 SD 3.1 Trim On

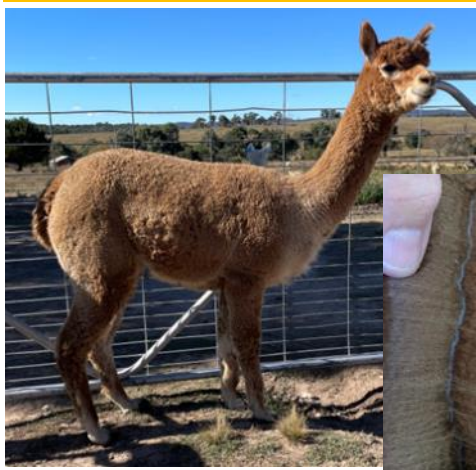

Shiranda is a lovely girl and a quite temperament and is well grown. She has a ultra fine fleece which has been consistently like this for the pass 4 fleeces. It's a med frequency and has a lovely lustre as well. She will come with a free mating to EP Cambridge Phenomenon in Nov 2024.

This girl is well worth looking at especially given the mating along with her low micron.

Lot 65 Mapa Honey Ryder

Solid Dark Fawn Female Huacaya

IAR: 246671 DOB: 21.12.2020

Mapa Alpacas —Reserved

	Yenaminut Lunar Eclipse		Canchones Aramis
Sire:	Yenaminut Galaxus	Dam:	Vista Felice
	Yenaminut Gwen		Alpacaspecialist Florina

Mated: Free Nov 2024 mating to Dural Invincible (SW)
Fleece: 2023—M 18.2 SD 3.8 Trim On

Honey Ryder is a true Bond girl ! Very active and a solid frame with a high frequency crimp fleece style.

Her back ground has black in it so this girl could be worth a look in for black and coloured breeders. She is lacking in density so will be placed over Dural Invincible in Nov 2024—a multi Champion winner, this mating doesn't normally go out of house, so the lucky winner will have access to these unique genetics

Cold as Ice is a small compact female with a soft handling fleece. You can see the bright white and lustre that comes through when its not overly dirty !

This style of well defined crimp style, good level of density and great carriage of positive traits across her whole body.

She comes with a mating to our Patagonia Elite Lone Star male who will give her even more density, whilst continuing to hold on the other traits such as white brightness and lustre that he carries as well.

This girl is well worth looking at as she has so many positive attributes to offer.
