Muchea Veal Report

Today Muchea agents yarded a total of 10 veal with Nutrien Livestock selling all of them. With a smaller yarding this week, competition from all buyers stayed equal. Quality was very similar to the previous weeks sales. Local calves being presented showed signs of a tougher season whilst better bred pastoral calves sold to strong enquiry.

Muchea Cattle Report

Nutrien livestock sold 158 cattle out of a total of 374 at Muchea Monday 22nd July. Mixed quality and very few heavy lines sums up the yarding today with heavy bulls easing slightly due to quality. The few heavy cows penned remained barely equal on quality with medium weight lines easing 10c/kg. Good quality local heifers 200-300kg lifted sharply under strong competition to top at 320kg. Local young steers were too few to quote. Pastoral heifers were generally equal to a shade dearer.
